Captive quick-connect coupling I.D. 7.8, G 1/4 ET, brown

Captive quick-connect coupling I.D. 7.8, Bright brass, G 1/4 ET, brown, max. 35 bar, Medium/ambient temp. -20°C to 100°C. One-hand quick disconnect couplings with a large bore. Different media can be connected safely and non-interchangeably even when space is restricted, thanks to the colour-coded coupling and plug and the different coupling profiles defined for each of the four colours. Only couplings and plugs of the same colour fit together. Areas of application: Pneumatic system, machine and plant engineering, measurement, monitoring and control systems, manufacturing industry, medical technology, chemical / pharmaceutical industry, automotive, food technology, aerospace.
