

Datasheet for: 102681

Syphon in circular shape, welded connection, G 1/2, CrNi steel

Syphon in circular shape with welded connection to the pressure relief side, according to DIN 16282, G 1/2, CrNi steel 1.4571 . Suitable as a cooling section for liquids, gases or steam during pressure measurements. The use of a syphon permits the medium to cool down to a temperature that is compatible with the pressure gauge and protects the gauge against pulsating media. The condensate that forms in the syphon prevents the hot medium from entering the pressure gauge. We recommend filling the syphon with cooling sealing liquid prior to using the pipe.

Type number	9085
Article number	102681
EAN/barcode	 4047322123198
Your price	77,24 € / Stk

Minimum order quantity

Price Unit	1
Quantity Unit	Stk
Packaging Unit	1
Content	1 Stk
Minimum order quantity	1

Productdata

Female/female connector	Acc. to DIN 16283, a/f 27
Material	CrNi steel 1.4571
Page No.	HK229
Pressure tap	vertical
Thread	G 1/2
Version	Circular, with welded connection on pressure tap side

Variants

Article number	Material	Price
102681	CrNi steel 1.4571	77,24 € / Stk
102680	Steel 1.0039, 1.0345	23,53 € / Stk
